4/03/26

Dear Members of the Wildwood Hotel Motel Association,

As the time is getting closer for you to open your hotels and motels for the 2026 season, I would like to partner with you to give your guest a great night's sleep.

Being in the mattress industry for over 50 years, we have developed a line of two-sided bedding that your guest will appreciate. After a "hard" day on the beach and walking on the "boards," a good night's sleep is important.

I would appreciate the opportunity to speak with you about your bedding requirements. I can be reached at 215-378-4476 or ron@wolfcomfort.com.

Five pieces or 500 pieces. Three-week delivery. Most importantly, over 50 Years of Service, Quality and Value. These are the words we live by

Ron Wolf
